

Kikino School Leadership Strategy

Student Advisory Leadership Team

S.A.L.T

This is part of NLPS student leadership initiative. This team will be led by the school counselor and principal and will act in an advisory capacity to set out their goals at the beginning of the school year. School Counsellor and President of this group will provide meeting reports to the principal.

School Climate Leadership Team

This team is also led by the school counselor. Mandate of this team is to lead school spirit. School Counsellor and President of this group will provide meeting reports to the principal.

Metis Ambassadors Leadership Team

Will share history and information about their home community of Kikino and our school; they will be greeting official visitors to the school. Miss Thompson is in charge of the training of this group and will select students when needed.

Metis Culture Leadership Team

This team will be selected from the dancers and fiddlers. They will take care of the cultural components of visitors to the school. Miss Thompson is in charge of the training of this group and will select students when needed.

Technology Team

This team will be responsible for learning how to use the camera and recorders to cover off daily and school events. This team will be led by an interested staff member who shares an interest in technology and using associated software. Mr White is in charge of this group and will select students when needed.

Ski Leadership Team

This team will be responsible for supporting the ongoing development of the Ski Program which consists of Ski Club and Ski Day. They will also assist in the planning and organization of the Annual Ski Fit Day. They will take on leadership speaking responsibilities to highlight the development of the ski program. Miss Thompson and Mr White are in charge of this team...Miss Thompson will select the President and Vice President of this group.
