

WEATHERPROOF YOUR PRACTICE: GET OUTSIDE AND LEARN

SESSION 1

TEACHING PHILOSOPHIES AND CONNECTIONS TO THE LAND

Oct. 21, 7:00pm | Presented by Hanna Burger, Elder Flora Northwest & Dr. Sean Lessard

This session will encourage participants to examine their teaching philosophies and explore how they can connect and learn from the land. Participants will have the honour to listen to Elders and leaders in the field on how to reflect, learn, and grow when connecting with the land.

SESSION 2

RESOURCES, MATERIALS AND EQUIPMENT

Nov. 10, 7:00pm | Presented by Lyndon Suntjens, Tracey Gilmour & Emily Parkin

This session will explore the curation of traditional games equipment kits, followed by a panel discussion where the group will discuss resources, places to procure equipment, grant opportunities and stories about schools that are paving the way in outdoor learning.

SESSION 3

CURRICULUM CONNECTIONS

Dec. 7, 7:00pm | Presented by Dr. Shannon Kell, Inside Education & Scott Bailey

In this session we will discuss how to connect outdoor learning with curriculum outcomes in various subject areas. Participants will have the chance to hop between rooms to discuss what it looks to include the outdoors in different subjects.

SESSION 4

PULLING IT ALL TOGETHER

Jan. 26th, 9:00am-4:30pm (Shaping the Future Pre-Conference)

Presented by Court Rustemeyer

To bring it all together, we end this series with a full-day session at the Shaping the Future. This day will be filled with hands-on nature-based learning activities and overcoming roadblocks of incorporating outdoor learning into your classroom.
