

WINTER WALK DAY

FEBRUARY 5, 2025

ORGANIZE A CLOTHING DRIVE

Teach your students how to **dress for winter weather**. Start a clothing drive by asking parents to donate gently used clothing to keep everyone warm and dry.

PLAN A WINTER WALK DAY EVENT

Celebrate by taking your classes outdoors to participate in fun activities in the winter. Students can enjoy winter walking, playing games in the snow and spending time outdoors.

TRAVEL ACTIVELY IN THE COLD

Share tips with families on how to travel actively and safely in the winter. Check out this resource on **Do the Penguin Walk**.

START A SNOW ANGELS INITIATIVE

Encourage your students to be role models in your school community. Keep pathways clear by having students shovel snow for your school neighbours.

REGISTER YOUR SCHOOL

Don't forget to sign your school up for **Winter Walk Day** through our partners at Shape Alberta.
